

## **Lifestyle Christian School 2017-2018 Dress Code**

### **DRESS CODE PHILOSOPHY**

The purpose of a dress code is to reflect attitude and character. Appropriate dress sets the standard and tone for an effective learning environment.

The administration has the authority to interpret and enforce the dress code.

### **DRESS CODE GUIDELINES**

What we wear makes a statement about who we are. All clothing should be modest and appropriate for a Christian school. Modest means that the clothing covers the body without drawing attention to the individual. Clothing should be neither too tight nor too loose. Appropriate means that the clothing fits the occasion and reflects the values of Lifestyle Christian School. A few specific guidelines to keep in mind are:

- Pants, shorts, and skirts should be worn at natural waist line
- Either an undershirt or outer shirt must be tucked in on regular uniform days
- Clothing should be clean and free from holes, frays, and tears
- Clothing should have no emblems, logos, or wording other than Lifestyle Christian School

### **DRESS CODE VIOLATIONS**

Students will be expected to follow the dress code throughout the year. Dress code violations will be dealt with according to the discipline policy. Inappropriate dress may result in:

- The student being asked to cover or change clothes before returning to class
- The student being dismissed from the school day, activity, or event
